COVID-19 IS ON THE RISE IN OUR COMMUNITY.

“Immediate action is necessary ... to slow the spread,” Dr. Barbara Ferrer, LA County Public Health Director.

Working together, we can reduce these numbers and the spread of COVID-19 in South Los Angeles. Our families, our loved ones and our community is worth it!

WHO IS AT RISK FOR COVID-19?

EVERYONE is at risk of getting COVID-19, regardless of their age, race or ethnicity.

The human coronavirus or COVID-19 is spread mainly through close contact with a infected person making social distancing so important.

HOW DO I PROTECT MYSELF AND MY COMMUNITY FROM COVID-19?

We're so glad you asked!

- Stay at home, unless you are going to work or accessing essential services (groceries, doctor appt, etc.)
- Practice social distancing - 6ft apart
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Washing your hands with soap and water throughout the day
- Wear a mask when in public.
